USDA files action against California company for \$900K PACA violations

July 16, 2026

The U.S. Department of Agriculture has filed an administrative complaint against JS Cos. LLC. The company, operating from California, allegedly failed to make prompt payment to 14 produce sellers in the amount of \$914,938 from January 2024 through July 2025 in violation of the Perishable Agricultural Commodities Act.

PRO*ACT Crop Update: Heat, humidity and the handoff

By

Joey Piedimonte

July 15, 2026

[Warm and humid weather is driving the story in the Salinas Valley this week.](#) These temperatures may not look extreme compared to other parts of the country, but our valley is not built for warm, sticky weather. When humidity hangs around and daytime highs climb, quality issues show up quickly in row crops and berries.
